Dear Parents/Carers

It has been yet another busy week at school!

Your child's report will be sent home on Friday 3rd July and a letter will come home today to tell you which class your child will be in next year. The children will meet their new teacher on Tuesday 7th July. I know the teachers are really looking forward to meeting their new classes!

Thank you to everybody who came to the Summer Fair on Saturday, it went very well and I know the children had a great deal of fun.

Yours sincerely

Mrs Anne Hamilton
Headteacher

LLANDUDNO FOR ONE WHOLE WEEK!!

Monday 1st June: Everyone woke up early, well I think they did because we were all very excited. At 8:30 we got on the coach for our two and a half hour journey. We got to our surprise destination, **Cadbury's World!** We had a tour it was awesome I loved it all it was a great experience. We arrived at Llandudno in the evening, unpacked and settled in. Then after tea we went onto the beach which was pretty much right outside the hotel. One half of the beach was sandy then the other was covered with pebbles.

Tuesday 2nd June: Early in the morning we all got up had breakfast and talked about where we were going. We were going to Anglesey Zoo which is a marine zoo. We had a great tour there too, we saw all sorts from octopuses to sharks. Then we all got back on the coach to go to Beaumaris Castle. We went right to the top (I was scared). We had a really fun day. We went on another beach which was full of crabs and sea snails.

Wednesday 3rd June: Today was going to be very exciting because we were going to three different places. First we went to Electric Mountain it was not how I expected it to be. We got onto a bus which took us on a tour with a lady saying 'on your right you will see.' and so on. It was very cold and we had to wear hard helmets we also watched two clips. Then we walked to Padarn Country Park. Our group played skimming. Then after tea we all went bowling. Everyone had a fantastic day.

Thursday 4th June: We went to the slate caverns first which was kind of freaky because there were fake people. Then we went deep underground to hear a story of a little boy who worked in the slate caverns since he was twelve to a grown man. It was a very touching story and very cold underground. Also my favourite bit was when we stopped by a big pool with lovely calm music and pretty lights. Then we spent a whole afternoon on the beach but the sea was very, very, very far away.

Friday 5th June : What a spectacular day. Today was our last day so we went on a quick run so we would not be late for a tramway. The Great Orme Tramway was a really good experience. I met two ladies who were really nice to me and James (they were on holiday too). Then as we got to the top in was really misty and there was a huge park with a humongous slide (Miss Felstead had a go once or twice, shh don't tell) We got back to our coach collected our lunch and went sat on the steps to the beach. Someone accidentally dropped some of their lunch and a big swarm of seagulls attacked us. Now we had to say goodbye to Llandudno and continue our journey home.

We were happy to be home and see our family. It was a great experience. I hope I will go again.

Cygnets Catering will be providing hot school meals at Christ the Sower School from Monday 6 July.

To give you a chance to experience the types and quality of food that they will be offering, Cygnets Catering will be running a Food Tasting Session on Thursday 25th June in the main school hall at 2.45 pm with tasting commencing at 3pm. So why not put it in your diary to come along and give them a try.

YEARS 5 AND 6 - THE APPRENTICE WEEK

While other pupils were in Llandudno on their week long residential trip, those who remained at school took part in something a bit different too. This is a joint report from the Year 6 Apprentices:

“From 1st-5th June, Year 5 and 6 students at Christ the Sower School were all participating in the Apprentice Week. Being an apprentice meant we had to wear a tie and take part in a range of projects to complete by a deadline every day, when we had to present what we did to the directors in the boardroom.

We were divided into five teams which meant we were with people we might not always have chosen to work with. We got to experience working with other people and not just the same people. We also found out new things about each other - did you know that Jasmine is a super cleaner? Sometimes we had ups and downs such as arguments about hiring a project manager and making decisions between all our different ideas.

We started off the week with a task to improve our environment. This gave us a chance to get out of the classroom and do some jobs to tidy up or improve the school. Some of us enjoyed bringing a book to life - we had to think of creative ideas and make things to make a book interesting to Foundation Stage. We are looking forward to showing them to the little children.

The school fair project was enjoyed by others because we came up with ideas that Mrs Price liked, including Soak the Cowboy, which Mrs Price thinks she'd have enjoyed when she was our age. At the end of the week, we received certificates telling us which of our BLP (Building Learning Power) skills we had been particularly good at using. It was an extremely interesting experience, which wasn't quite what we expected but made a change from our normal lessons...and we think we learnt a lot!”

SCHOOL CALENDAR DATES
