References

In order to comply with the Department for Education guidance on safer recruitment, applicants are requested to provide referees in line with the following guidance (if you are unsure of your category please contact HR).

References will be sought on shortlisted candidates and previous employers may be contacted to verify previous experience or qualifications before interview. The referees you provide must cover the last three years of your employment history. Current or previous employers will be asked to provide details of disciplinary offences, salary, length of service, sickness absence record, skills and abilities and suitability to work with children (this is not exhaustive). The school reserves the right to take up references from any of your previous employers.

For general appointments - At least two satisfactory references must be received before we will confirm an offer of appointment; one must be from the Headteacher of your current or most recent School (or where this is your first School application, a reference from your current or most recent line manager) and one from your previous employer. If this is your first job, your School Teacher or College Tutor is acceptable. Please note that members of your family are not acceptable as referees.

For Headteacher appointments – A total of four references will be sought as follows:

Existing Headteachers or Acting Headteachers currently employed in a community or voluntary controlled School are required to provide:

Equality Act 2010

Under this Act, employers have a duty to make reasonable adjustments where, compared to a non-disabled person, a disabled person is substantially disadvantaged by either working arrangements (which include the recruitment process) or the working environment. You need to be aware that the duty to make reasonable adjustments will not apply unless we know that you have a disability.

The Act defines a disabled person in the following way: A disabled person is anyone who has had a *physical or mental impairment*, which has a *substantial and long-term effect* on their ability to carry out *normal day-to-day activities*.

Impairment - a physical impairment includes sensory impairments e.g. blindness or deafness; mental impairment includes learning disabilities and any mental illness which is clinically well recognised.

Substantial - the impairment has to have more than a minor effect on the time it takes to carry out an activity or on the manner in which the activity is carried out.

Long term - the impairment must have lasted, or be expected to last, at least 12 months after the first occurrence.

Normal day-to-day activities - this covers manual dexterity, physical co-ordination, ability to lift or move everyday objects, speech, hearing, eyesight, memory or ability to learn, concentrate or understand perception of risk.

We have made a commitment to improve employment opportunities for people with disabilities and have adopted the Employment Service's two-tick system symbol - 'Positive about disabled people'. This includes an undertaking to interview all applicants with a disability who meet the essential shortlisting criteria for a job vacancy and consider them on their abilities.

Immigration, Asylum & Nationality Act 2006

Under the Immigration, Asylum and Nationality Act 2006, we can only offer you a job if you have the right to live and work in the United Kingdom. You will therefore be requested to produce appropriate documentation.

Any information given about convictions will be completely confidential and will be considered only in relation to this or a

If between completion of this application form and taking up a job within the School you are convicted of a criminal offence you must inform the School of this immediately. A conviction will not necessarily bar you from obtaining employment. If you are aware of any Police enquiries undertaken following allegations made against you which may have a bearing on your suitability for this post, you should declare this immediately.
