From November 12th-16th is National School Meals Week. During this week we will be promoting all that is great about having school meals. Please help by booking a meal for your child and visit us and see for yourselves how school meals have improved over the years

Thank You

To everyone who booked a meal on Census Day, your support is greatly appreciated

The Gardening Club for supplying our onions & corn on the cobs for the menu! They were delicious!

Reminder:
 Please check all ingredients in your lunch boxes for nuts, it will be highlighted in **BOLD**, these can include cakes like cherry bakewells, Battenberg and chocolate spreads

Happy 2nd Birthday to Us!

On November 7th we will have been officially open and serving fresh hot lunches from our newly built kitchen for 2 years! We will be celebrating at lunchtime. The invitations have been sent to everyone and we hope to see as many of you in Beech Hall to join in the fun!

Not many parents are aware that all children in Foundation, Year 1, & Year 2 are entitled to FREE school dinner!!!!

No need to worry about making packed lunches, we can provide your child with a healthy and delicious hot lunch or alternatively we can make the packed lunch for you.

We are a healthy school and must comply with the current government guidelines on nutrition for our children– these include portion sizes, including sauces, not adding salt to flavour the food, providing water for drinking– no squashes or fizzy drinks

Allergens/Intolerances

If your child has any food allergies/intolerances or special dietary requests please remember to inform us and to look at the allergen chart that accompanies the menu on our website. It is essential that we have up to date information including any medication and emergency contact details. The school has a list but it quickly becomes outdated, and you can help us by keeping us up to date with this information.
