

Christ the Sower Ecumenical School Pupil Outcomes 2020 - 2021

At Christ the Sower Ecumenical Primary School we provide the 'good earth' for all our children to flourish; where every child can learn and explore who they are created to be, with the high expectation that we, individually and collectively, will enable every child to be and do the best they can.

A loving place where we all care, learn and grow together.

This year has been a very challenging year for our children and our teachers. A significant number of children have missed about 7 months of schooling over the past two years. We believe that our children and staff have worked really hard and we are really proud of their achievements.
