We are looking to employ 3 teachers across both key stages to join us at our newly converted Academy school. If you are ambitious, hardworking, vibrant, brave and resilient with a passion for teaching and developing children's characters, then we would love to hear from you.

We can offer NQTs and teachers developing the early stages of their careers, amazing children, engaged parents as well as high quality NQT support and career development. We are committed to supporting you in our modern well equipped school in developing your career and ambition. We are part of the ODBST MAT which is a new and growing academy trust that puts its faith into and recognises the uniqueness of all its individual schools.

As a school, we are enjoying a journey to good and beyond and recognise the fantastic contributions NQTs and early career teachers can bring to that journey.

So if you enjoy a challenge, are creative and fun, please get in touch to discuss your career opportunities here with us. Visits to the school are encouraged.

For an application pack please contact Christine Smith csmith@ctsmk.org.uk or on 01908867356 or visit our website www.ctsmk.org.uk.

At Christ the Sower Ecumenical School we are committed to safeguarding and promoting the welfare of children and expect all staff to share this commitment. All appointments are made subject to a satisfactory enhanced DBS, qualification and reference check.
