

Friday 10.07.20

Year 4

English

Today's English lesson is a reading comprehension activity based on a Guinness World Record. Read the information, article or story and answer the questions about it in your books. Remember to use full sentences to record your answers. At the end of the questions there is a 'Beyond the Record' challenge. This is optional so please don't feel you need to do it, however if you are interested in finding out more then these challenges are a great way of extending your learning. Today's comprehension activity is about the record for the most expensive painting... by elephants!

Maths

We are continuing to use the White Rose videos and resources to support your learning this week. The Friday challenge will continue to cover a range of areas of maths. Download it from the [White Rose website](https://www.whiterosemaths.com/). As with the previous challenges, there are certain questions that are most suited to year 4, but you can always have a go at the others if you want to test yourself.

DT

This week we want you to evaluate the dish you cooked. Think about what was it like, did it work, how would you improve it? Once you have completed the evaluation, design packaging for your dish as if it was a ready meal. Send us some photos, we'd love to see what delights you have created!
