12th February 2021

Dear Parents and Carers,

Well done on getting through this half term and I'm sure everyone is looking forward to the break. There have been some highs and lows over the last 6 weeks but in school we have been really impressed with all the work your children have been doing. Over 90% of our home learners have been accessing google classroom, completing and sending in work or letting us know what they have been doing. I'm not sure how some of you have managed to juggle work and supporting your children's learning at home - you have been amazing!

Hopefully it won't be too long until all the children are back in school. We are looking forward to the announcement on Monday 22nd February but until then we will continue to keep going and do our best to support you as much as possible.

If you are struggling to think of ideas to keep everyone occupied during half term. the BBC have come up with a series of ideas and activities on www.youtube.com/cbbc - (it's obviously completely free to subscribe!)

Whatever you are doing over half term I hope you all have a happy and safe break.

Take Care,

Lorraine Quirk
