Dear Parents and Carers,

The last three weeks have possibly been the longest three weeks ever for us here at CtS. Getting all the children and staff back in school, learning and following our daily routines has at times been challenging but we are finally there. The children, as usual, came back to school with resolve and the most part ready to start learning. As a whole they have settled in well and enjoyed relatively normal school life.

After the Easter holidays we will be introducing more curriculum areas while still maintaining our focus on the core skills of Maths and English, wellbeing and keeping healthy. We will write to you at the end of April to share the ongoing curriculum.

We have had some very good news in the last couple of weeks. Mandy Robertson our Wellbeing and Inclusion Lead has ensured that the school has been awarded the Gold Standard Family Champion Award. This is in recognition of all the work she does to support our families, children and adults, everyday. Maintaining our Christian Ethos and care for our families is really important to us and I am delighted that it has been celebrated.

I hope you all have an enjoyable Easter break and the weather gives us the opportunity to get outside in the fresh spring air. Enjoy those eggs!

Yours sincerely,

Lorraine Quirk
