30th April 2021

Dear Parents and Carers,

This week the children have enjoyed a more Science based topic in class. As we build our Rainbow Curriculum up we are introducing more Science and Technology over the next few weeks.

On Wednesday we had a visit from Toby Long who is our Diocesan Advisor. He was in school to take a look at how we work with our children to promote and develop SMSC (Social, Moral, Spiritual and Cultural Education). He had a lot of positive things to say about the school but one area we need to improve is to share, with you, what SMSC looks like at CtS. As we are unable to hold a parent information session I will prepare a presentation for you and add it to our website by the end of next week.

I hope you all have a lovely bank holiday weekend and see you all on Tuesday 4th May.

Kind Regards,

Lorraine Quirk

### Nesting Doves

We would like to introduce two new members to CtS. The Eurasian Collared Doves hatched last week and are nesting in the courtyard next to the music room, (the music doesn't seem to be troubling them).

### Safety on the Road

It has been brought to our attention that a number of children have been crossing the main road (Singleton Drive) without checking for traffic. Please can you remind your child of the importance of road safety. This will also be mentioned in school.

ClassDojo

Each week we will be announcing the Dojo winning team who have earned most points over a week **The winning team for this week ending 30th April is the GreenTeam.**

**Well Done Green Team!**
