Dear Parents and Carers,

Thank you to everyone who has been so patient and helpful in providing packed lunches for the children. We will still be offering sandwiches only on Monday, but are hoping to have hot lunches back on the menu on Tuesday.

This week all schools received some updated COVID Guidance from Milton Keynes. The guidance is in response to rising cases in the area and the rising number of hospital admissions. I will be reviewing our school Risk Assessment and Covid precautions on Monday afternoon and will then notify you of any changes that we may need to make. This is such frustrating news as we all seem to be working so hard as a school community to keep everyone safe.

Yesterday our Y1 and Y2 children shared a lovely Diwali assembly with the whole school, which was an absolute delight. They shared the story of Rama and Sita, sang some songs and showed us some of their art work.

The Chair of the ODBST Trustees came to visit CtS yesterday. He has been before but it was nice to have him back again. He visited all the classrooms and spent some time around the school. I am delighted to be able to share with you how pleased he was with all the children and how hard they were working. We have so few visitors these days it is really helpful to have another pair of eyes and ears around the school.

Enjoy the fireworks this weekend and stay safe.

Yours sincerely,

Lorraine Quirk
