

Thursday 19th March 2020

Dear Parents/Carers,

I am really sorry that I am unable to give you any further updates about key workers and which children we will be offering child care for from Monday. We are still awaiting our guidelines and further information from the Government and Department for Education.

The latest confirmed information I have received is from the DfE confirming that there will be no SATs tests this year for Y2 and Y6 children. This is a mixed blessing as everyone in school has worked very hard to improve our outcomes this year but in the greater picture it is for the best.

It is very difficult to start to make plans for next week without any understanding of the possible numbers of children we will be opening for on Monday. With that in mind I would like to start to gather some information. If you work in the NHS, Police Force or are a Food Delivery Driver could you please complete the attached form and return it to the office as soon as possible. You can also telephone your responses if that is easier. I cannot confirm that the three roles listed will all be 'Key Workers' but with the lack of any confirmed information it is a starting point.

I am guessing that any further information will be shared at 5.00pm in the government briefing. I will then confirm our response and provision with you as soon as possible.

Thank you for your continued patience and support.

Yours sincerely,

Lorraine Quirk
