7th January 2022

Dear Parents and Carers,

Happy New Year to all our families and friends at CtS.

I hope you all had a good Christmas. I know that there were many of you who tested positive over the holiday period which affected your plans and celebrations. However almost all of the children have returned to school and we are really pleased to see them all.

Like you, a lot of our staff were also ill over Christmas and not really able to enjoy the full break. Unfortunately we still have a few members of staff who are off for a variety of reasons. I'm sure you have watched the news reports about high staff absenteeism and the impact it is having in schools as well as the NHS and other areas of work. I have no doubt that we will continue to have a number of staff going off ill over the next few weeks, like all our neighbouring schools.

We have therefore had to make some changes at very short notice. Supply teachers are also in short supply so there may be occasions when we have to combine classes, make changes to planned lessons and adapt accordingly. We will do everything we can to avoid having to send classes home and hope that you bear with us during this difficult period.

By the end of the day today all of the Curriculum News Letters will be on our website in the learning section, hopefully this will keep you updated for Spring Term.

Kind Regards

Lorraine Quirk
