

Friday 20th March 2020

Dear Parents/Carers,

At the end of a very busy week I just wanted to take the time to say thank you for all your understanding and support over the last couple of weeks.

Many of us in school had a few sad moments saying goodbye to the majority of the children. In assembly this morning they made us all so proud as they shared their class values and how they can help them through the coming weeks. Their behaviour and positive attitudes have been a real credit to their teachers and to you.

We will do our best to keep in touch and share any news or updates that are important to us here in CtS. There will be a skeleton office staff on most days so we will not be able to respond to emails and phone calls as quickly as we would like to. Please bear with us we will get back to you eventually.

At the end of this term – Friday 3rd March we will review the educational provision we are making for your children and make any changes in line with government recommendations and/or advice. CtS is part of an MK liaison group of primary schools as well as the ODBST so I'm sure we will all have a lot to learn from each other and will be able to share ideas and experiences to benefit all our children.

If you need any help over the coming weeks please call us and we will help where we can. Take care of yourselves and all the CtS children. We look forward to seeing everyone soon.

Yours sincerely,

Lorraine Quirk
