

Newsletter

Dear Parents and Carers,

Welcome back to the start of a new academic school year. I would like to thank everyone for making me feel so welcome this week. Christ the Sower is a genuinely warm and wonderful community, and I am so excited to be here, working with the team and your incredible children. I have to say, that I have been very impressed by how smart and well presented the children have been on their return to school. The children have come back this week with huge smiles, full of energy and with a real eagerness for learning. School has been a purposeful and happy place to be this week, which has been lovely to see.

This week you will also be receiving your child's class Curriculum Newsletter. This will let you know what your children will be learning this term and it will also include some key information about the class and their routines.

Next Thursday afternoon (15th September) we will be holding our Meet the Teacher sessions. The school will be open from 3:30 – 6pm and you are warmly invited to come in and see the school, look around your child's classroom and meet their teacher informally. Please also use this opportunity to ask any questions that you may have, and to pop in and meet me – I am certainly looking forward to meeting as many of you as possible! Please don't hesitate to give me a call, or come into see me if you have any concerns or questions that I can help with.

Wishing you a lovely weekend when it finally arrives. Warmest wishes,

Mel Nugent

Headteacher.

Increase in Government funding for UIFSM and Pupil Premium meals

As you may be aware, food cost inflation is currently 9.8% higher than in June last year and set to increase to over 12% by the end of September 2022.

Fresh Start have been proactively working with suppliers all year to alleviate some of the pressure and minimise the impact of food cost increases.

From September onwards prices will increase for UIFSM to £2.41 and for Pupil Premium to £2.47.

Due to the cost of living increase effecting all our paid **KS2** pupils Fresh Start will be leaving the current of £2.30 per meal.

Each week we will be announcing the Dojo winning team who have earned most points over a week .

The Dojo competition will start next week.

NUTS AND NUT PRODUCTS IN SCHOOL

May we please remind all parents/carers that we are a nut-free school as we do have several children with serious nut related allergies. Please do be vigilant and check what you're giving your children. There are obvious things such as peanut butter, but there are other less obvious food items that contain nut based products, so please do check the ingredients on the packaging before sending these into school with your child. Thank you.
