Dear Parents and Carers,

As we draw towards the end of our second full week back at school, I have been reflecting on our wonderful school, the successful start to the term and the incredible sense of community that we all share here at Christ the Sower. I have felt so very welcome, your children are a credit to you and have settled back into school so well- they are eager to learn and want to make progress with their learning. Thank you to everyone who has greeted me warmly on the gate or come up to introduce themselves. I am slowly learning names and getting to know you as a community. The team at CtS is genuinely incredible and everyone works so hard for the benefit of our children. I am so excited for the coming year as we continue Christ the Sower's journey to Good and beyond!

Our meet the teacher evening was a huge success last night, thank you so much to everyone who came to visit the classrooms and to meet the year group teams. We had an overwhelmingly positive response, with many parents expressing delight and thanks for how well their children had settled back into their new classes. Please continue to communicate with us, we want to work in partnership with you. You know your child best of course, and if we work as a team then we can ensure that we work for the absolute best outcomes for **every single child**.

You will be getting a letter today about homework that sets out our expectations. Please ask if you need any support with any aspect of this, homework complements and reinforces the learning that is done in school, and you can really support your child in a meaningful way by ensuring that they keep up to date with their homework tasks and responsibilities.

Due to the death of Her Majesty The Queen, we will of course be closed on Monday 19th September, but I look forward to welcoming you all back to school on Tuesday morning!

Have a safe and happy weekend.

NUTS AND NUT PRODUCTS IN SCHOOL

May we please remind all parents/carers that we are a nut-free school as we do have several children with serious nut related allergies. Please do be vigilant and check what you're giving your children. There are obvious things such as peanut butter, but there are other less obvious food items that contain nut based products, so please do check the ingredients on the packaging before sending these into school with your child. Thank you.

Bring your pennies for a good cause!

To recognise those children that go above and beyond we are introducing Lunch with the Head!

Once a month, children from KS1 and KS2 will separately have the chance to enjoy lunch with the Head Teacher!

This will be decided by the class teachers based on exemplary behaviour.

Children will have their usual packed lunch or hot dinner, eaten with the Head and cakes will be provided.
