Dear Parents and Carers,

As I write this, I can see the heavy rain falling on the courtyard and so I feel very confident in saying that the summer has now officially passed, and we are firmly into autumn. The weather is turning colder and wetter with every passing day. The children now need to bring coats or a waterproof to school every day. We do try and get them outside for playtimes and lunchtimes even if it is raining a little bit.

On Wednesday the children shared a Harvest Festival assembly. The Y3 and Y4 classes led the assembly for us and helped us to reflect on harvesting for others and sharing. Thank you for your fantastic contributions to the MK food bank. Please continue to drop in any last minute donations, as the deadline is next Friday.

Earlier this week we had a visit from our School Improvement Adviser and I was able to give her a tour of the school. She was so impressed and complimentary about how well the children were engaged in their lessons and how polite and well behaved they were. We are always really proud of the children but it is nice for someone from outside the school to comment so positively. After assembly today the children went off into their house teams to vote for this year's Y6 team leaders. We will announce the new team leaders next week after all the votes have been counted.

Have a lovely weekend and we will see you all next week!

### **CTS SPORTS REPORT**

For the first time in over a year we had a boys football team take part in matches against other schools. It was great to see the boys play and represent the school so well with their behaviour and teamwork. This paid off as Team CTS came away with 2 wins from 2 games, not even conceding a goal! Big well done to all the boys involved.

This is just the beginning of our sport for this year, with a team representing us in Netball next week and plenty more to come throughout the year. Please look out for upcoming sport academy letters coming home via ParentPay or in your child's bag.
