

16 December 2022

Dear Parents & Carers,

Well, we have made it! Today is the final day of term, and what a fantastic term it has been! The Christmas festivities have been wonderful this week, with performances of the Nativity from EYFS and KS1. Both phases performed brilliantly well, and we could not be prouder of the pupils and staff for the high standards and expectations on display.

On Thursday, we had the Pantomime in school, to perform Cinderella for us, which was absolutely terrific and loved by all the children, there was audience participation and a staff macarena to end the performance! Take a look on our Facebook page to see the video!

Today we say a sad farewell to Mrs Joseph, who is leaving us. We will miss her, but wish her well in her future ventures. From January, Mrs Wilson-Andoh will be teaching Year 3 alongside Mrs Martignetti.

Don't forget that our new morning gate arrangements start in January, with all children entering through Gate 2 from 8.30am. Parents, please drop at the gate as the playground will be fully supervised from that time. The gate will close at 8:50am, after which time the children should enter through the main entrance.

Our after-school arrangements will stay in place, with all children being collected directly from their teachers at their year group gates.

Have a lovely, relaxing and happy Christmas. We will see you again on Wednesday 4th January!

Miss Nugent

Don't Dice With Ice

STAY SAFE IN THE PARKS
THIS WINTER

When ice forms on open water,
it can put people and pets at risk.
Be cautious near lakes, canals and rivers in Winter.

Don't Dice With Ice

The parks look beautiful with a dusting of snow or frost but it is vital to stay vigilant around cold or frozen water during the Winter months.

- Keep away from the water's edge and under no circumstances go onto the ice or enter the water.
- Be extra watchful with young children close to the water's edge.
- If you see someone in trouble in the water or on the ice, call 999 straight away. Never attempt to go out on to the ice yourself.
- Be cautious after heavy rainfall and don't enter areas that are flooded.
- Keep your dog under control near frozen water and do not EVER follow it onto the ice. Do not attempt to rescue any pets yourself - call the emergency services for help.
- If you see a wild animal you believe to be in distress on the ice report it to the RSPCA on 0300 123 4999.
