

# Christ the Sower Ecumenical School

9 June 2023

Welcome back to the second half of the summer term. We have really been able to enjoy the lovely sunshine and warmer weather this week. We have an amazing field that the children enjoy playing on at lunchtime, however, there is virtually no shade up there, so if you would like your child to wear sun cream, please can you administer it in the morning before your child comes to school, members of staff are not permitted to apply sun cream to the children. Also, I would advise that on hot days, you send your child to school with a sunhat, please make sure this is labelled with their name in a place where they are able to read it. Additionally, at this time of year, children tend to take their jumpers off during the day. Please help us to reduce the pressure on our lost property table by naming every item of your child's property.

Thank you to all those parents who attended the EYFS parents meeting this week to welcome our new cohort of pupils, who will be joining us from September 2023. It was lovely to see so many of you and to share our wonderful school with you. A huge well done and thank you to our EYFS team for presenting so brilliantly on the evening too! Our team is so passionate, knowledgeable, and talented and they do genuinely put your children first – at CTS we are all driven to make a difference and ensure that all children are happy, safe, and reaching their full potential.

Don't forget to keep an eye on emails and the website as lots of different opportunities for you to come in and celebrate your children's achievements are being planned for later this term.

Have a lovely weekend

Mel Nugent

Head teacher

Please note; for sports day, children will need to wear a plain coloured T-Shirt the colour of the House Team they are in. If your child is unsure what house they are in, their class teacher will know.

## Do you knit or crochet?

Can you help us by knitting or crocheting  
poppies for our 2023 Poppy Cascade?

Artists impression

There are many poppy patterns available on the web, one suitable for beginners or more advanced knitters can be found here.

The only thing we ask is that you leave **two** tails, approximately 4 inches/10cm in length for us to tie the poppies to our display.

2023 is a special year for St Mary's, as we celebrate 800 years of continuous use. One of the ways we want to mark this anniversary is to knit and crochet a cascade of poppies to honour the soldiers, sailors and air personnel who lost their lives during WW1, WW2 and the many conflicts since.
