

Christ the Sower Ecumenical School

23 June 2023

Well, here we are at the end of yet another busy week in school. The weather has been glorious and so the children have been able to get up on the field during lunchtimes, which has been lovely. Please continue to provide your children with a sunhat and apply sunscreen before school to ensure that they are protected from the sun as much as is possible.

This week has been assessment week in school, which has meant lots of hard work and tests taking place in classrooms. This is vitally important as it gives us an indication of how much progress children have made across the year. The test results do not provide the full picture (as not all pupils perform at their best in tests) but they do guide teachers in their assessment judgements.

Today we were visited by our Vice Chair of Governors, David Cousins, who came in to look through our art curriculum and to discuss the improvements that we have made. He was incredibly impressed by the quality of leadership and personal development in school. We also had a second visit from our EYFS advisor in Poppy and Daisy classes, who came in to see the improvements that we have made to our provision. She was also very impressed and acknowledged all the hard work that had been undertaken by Miss Jacobs and her team. We are looking forward to seeing both reports when they come out next week. We have an incredibly strong team at Christ the Sower, who work incredibly hard for your children. I would like to take this opportunity to once again thank them, as they really do put your children first in everything that they do.

Have a lovely weekend

Mel Nugent

Please note; for sports day, children will need to wear a plain coloured T-Shirt the colour of the House Team they are in. If your child is unsure what house they are in, their class teacher will know.

Each week we will be announcing the Dojo winning team who have earned most points over a week

The team that have earned the most points in the week ending 23 June is the **YELLOW** Team
