## A Loving Place, Where we CARE, Learn and Grow Together

It has been a super busy week in school, and we have all needed to pull together as a team to cover staff absence. Hopefully, the sickness bugs will pass soon, and normal service will be resumed in classes and across school.

This week we held our first PTA meeting of the year, and it was super successful! Thank you to all the parents that attended on the day, and to those who sent their apologies and intention to come next time. We had a very productive start and made lots of plans for the first events of the year!

The first planned event is a film afternoon next week, with a choice of films for £5 (which includes a drink and a snack) please book a place for your child as soon as possible before the film rooms fill up!

Finally, please don't forget to book a spot for parents evening next week, there will be the chance to look at your child's work so far this year and to chat to their teacher about how they have settled in and progress so far.

Headteacher

## School Council News

School Council have decided to work towards the **Social Impact Schools Award** across the course of this academic year. The award recognises the dedication of schools and their students in having a positive impact on the world.

Mrs Palfreyman and the school council have selected some opportunities for each year group to get involved in across the year. All the events are designed to get us out into the community with the aim of making the world a better place.

Children can also work on the projects at home, and we will award certificates to children that achieve one of the **'Superkind'** actions and bring in evidence to show us what they have achieved. It would be wonderful if you could support your child to achieve one or more of the actions.

# Our School Rewards

## The Golden Book

We are very proud of all our children at CtS, a special well done to those that received Golden Book certificates this week!

### This Week's KS2 Winners

Year 4 - Abigail Year 5 – Ranelle  
Year 6 – Christos and Jayden

## The House Cup

The team that have earned the most points this week is the **Green** team  
Well done **Green** Team!!

## Get to Know our Governors

Each week we plan to keep you up to date with the work of the Governing Body in school. We will also meet each member of the LGB. **This week, we are introducing one of our Foundation Governors..**

### Reverend Mike Morris - Foundation Governor

I've been actively involved with Christ the Sower for many years, regularly leading collective worship and supporting with the RE curriculum. I was appointed as a Foundation Governor in early 2021. In 2022/23 I took on the role of SEND & PP Governor

I am one of the ministers in the Watling Valley and since I arrived here in 2004 have worked hard at engaging with all the local schools and regularly lead assemblies and support the curriculum. I am also heavily involved in running a summer holiday club at Christ the Sower as well as our young people's group 'Hot Potatoes'. I am passionate about seeing children grow and reach their full potential, becoming the person God created them to be.

I have four children of my own and am very aware of the pressures that children and young people face today. I enjoy cooking and have recently taken up running, and I am hoping to run a marathon at some point in the future.

**Reverend Mike Morris**

## Keep Up to Date
