A Loving Place, Where we CARE, Learn and Grow Together`

Welcome back to the second half of the Spring term! Isn't it lovely to have the brighter start to the mornings. It certainly gives us all a lift as we start to see that Spring is around the corner!

Wasn't it lovely to see KS1 and EYFS exploring the world of work, in the Little City event yesterday? All the children from Nursery to Year 2 were able to explore a wide range of careers through play. In a few weeks time, we will be exploring this important CARE theme further, with an ASPIRATION day for the whole school. This will enable KS2 to get involved as well. We are still actively seeking volunteers to come in on this day (14<sup>th</sup> March) to speak to the children in assembly, and/or in class groups. Do you have a job or career that you can share with them? We want to show them all the incredible possibilities that are possible for them in their futures. All careers are welcomed and valued equally. Thank you to Miss Jacobs for organising these incredible enrichment events for our children.

You will also have seen Mrs. Palfreyman's message about World Book day next week. We are all invited to wear our Pajamas to school, on the 7<sup>th</sup> March, and to bring in our favourite book to share. There are also lots of exciting events in school that day, with story telling, art and reading. Even math's is linked to stories on world book day at CTS!

Don't forget to book your parents evening slot too – those dates are happening in the W/C 18<sup>th</sup> March. This will be the final opportunity this year to talk to your child's teacher about their progress, wellbeing and attainment. Finally, as we approach the weekend – please do not forget to make reading a small part of your weekend with your child. It really is the single most important thing you can do to ensure that they reach their potential and achieve well in school and beyond.

Have a lovely weekend.
