A Loving Place, Where we CARE, Learn and Grow Together`

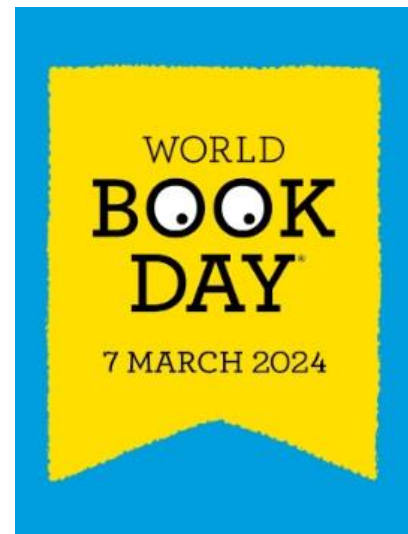

We had a fantastic celebration of books and reading yesterday, with activities in all classrooms. It was lovely to see children sharing books and stories. Thank you to all of you who were able to come in and read with your children in the afternoon. It makes such a positive difference to your children and their appreciation of books.

Next Thursday, we are holding an 'Aspiration' day, with lots of exciting visitors planned to excite children about the huge possibilities that exist for them in the world of work. These visitors will include: a rap artist. An author, a probation officer, a local councilor, a software engineer and a media journalist. Remember to ask your children about the day and check our Facebook page for photographs of the different sessions.

Have a lovely weekend.

## World Book Day 2024

We spent the whole day, following a 'reading' themed curriculum. The morning was spent engaging with books in English, and completing math's linked to different stories. All classes were able to spend time with Paul, our visiting storyteller from Milton Keynes Library. It was wonderful to see all of the children in their Pajamas, snuggling up with a book at the end of the day too!
