A Loving Place, Where we CARE, Learn and Grow Together`

Another very busy week at Christ the Sower, and as I reflect on how much we have packed in, I am humbled by the strength, passion and dedication of our staff. TeamCTS is made up of a very special bunch of people indeed.

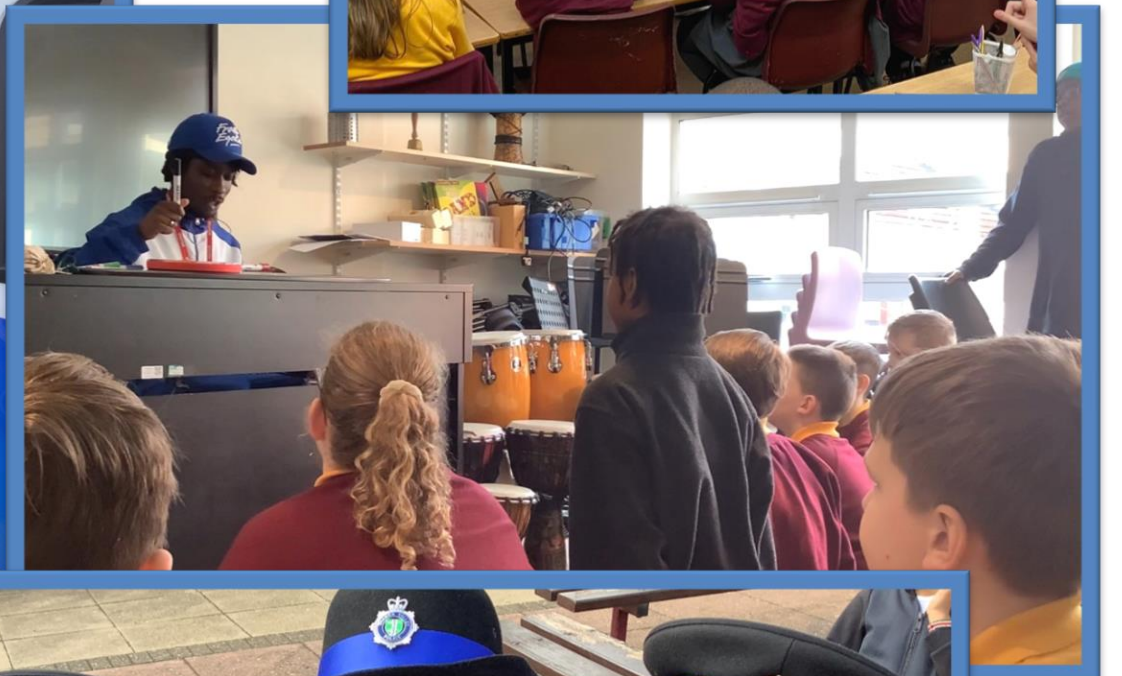

A huge thank you to Miss Jacobs for organising and running Aspirations day yesterday. We had a wide range of visitors from a broad range of careers and work paths. These visitors included: A musician/rap artist, local councilor, software engineer, author, post-production film editor, chemical engineers and the police service. Our children were so inspired and motivated by the visitors and asked some impressive questions.

If you have not done so already, please remember to book a parents evening slot for next week. Unfortunately, Mrs Wilson Andoh is still poorly but we will set a date for her parents evening as soon as we are able to.

Have a lovely weekend.
