A Loving Place, Where we **CARE**, Learn and Grow Together`

With the end of term just one week away, the bright sunshine and blossom on the trees heralds the change in season and is a promise of the summer to come.

It has been wonderful to see so many of you in school this week for parents evening and to hear so much positive feedback from so many of you. Our staff here at CTS really are fantastic and your children really are at the front and centre of every move we make in school.

The book fair will continue to be outside the front of the school each day next week – so please do pop along and make a purchase if you are able to. The more books that we sell the more that we will be able to get back free from Scholastic – which will give our school library a terrific boost.

Have a lovely weekend.

## Paschal Candles

Reverend Ruth set our children the challenge of designing this year's Paschal candle to be used in our school and the 5 churches of our Ecumenical partnership. This is the first time that the churches have done this, and it will be so lovely to have a candle in school, that has been designed by the children.

The candle will be lit at the dawn service at Furzton Lake on Easter Sunday, and then delivered to us at school (and the five churches) after Easter.

## Friendship Bench

On **Friday 17<sup>th</sup> May** we are holding a **muffi day**, when children can wear their own clothes in exchange for a small donation. We are going to use this money to purchase a colourful friendship bench on the playground. This will be in memory of Jude, who sadly died at the end of the autumn term. The bench will face the basketball area of the playground where Jude loved to play. We invite you to support us in this fundraiser. Thank you.
