

Happy Thursday everyone!

## Maths

Use the clock sheet to order the events of your day. What time do you get up, do some exercise, eat your lunch, watch television, eat dinner and go to bed. Draw the hands on the clock faces and write a short sentence eg I get up at half past 7.

## English

Practice spelling these words which use the suffix *ness*

kindness, fitness, happiness, fairness, tidiness, nastiness, loveliness

Write sentences using each of them.

## Art

Remember the painting we created based on Monet's garden. Try to recreate it using paints, felt pens or collage materials. Monet had included gates in the middle of his garden and used different shades of green and yellow. You can choose what colour your flowers will be.

Look out for tomorrow's work on the website 😊
