

Hello everyone! 😊

Maths

Solve these missing number problems:

$$\square + 8 = 20$$

$$20 + \square = 70$$

$$28 + \square = 35$$

$$8 + 3 = \square + 5$$

$$\square + 11 = 6 + 8$$

$$12 + 5 = \square + 13$$

$$\square - 12 = 4$$

$$26 = 19 - \square$$

$$\square - 7 = 10 + 11$$

$$100 - \square = 52$$

$$3 + \square + 6 = 16$$

$$\square - 12 = 36$$

English

Write a fact file about your favourite animal.

Art

Choose a flower or tree image on Google. Use paint, felt pens, collage material to create your own version.

Look out for tomorrow's work on the website 😊
