Expressive Art and Design

MAKE PAPER TOWEL MARKER MAGIC

This is such a simple activity, yet hours of awe and beauty! All you need are paper towels, water, a plate or shallow dish, and washable markers. We used Crayola, but any water soluble marker would work. Fold a paper towel in half like a card. On the front of the paper towel card, make a very simple design. Then inside, add more details and colors. Drop the paper towel into the water and watch the designs appear and colors spread!
