

Monday 27.04.20

English

Today's English is a reading comprehension. Download the files from the school website. Read the information about oceans and then use that information to answer the questions on page 4.

Maths

To help you in your learning we are continuing to use the White Rose videos. These videos will help you to understand the concept and there will be activities to help you practise what you have been shown.

Start by visiting the White Rose website under the 'Home Learning' page and click on Year 4 or just click on this link.

<https://whiterosemaths.com/homelearning/year-4/>

Today's lesson is **Lesson 1 - Round decimals**

Watch the video and then answer the questions by clicking on the 'Get the Activity' tab to download the worksheet. Don't worry if you can't print it, just write the answers in your home learning book and draw the shapes out in there.

You can check your answers on the same page where the video is saved under 'Get the Answers'.

PSHE

Health and wellbeing

Normal life is currently very different due the Corona virus. How can people make sure they stay healthy, both physically and emotionally during this time?

Design a poster promoting positive things that people can do to stay well. Think about,

- What do we need to do to keep our bodies healthy?
e.g. eating nutritious food, exercising regularly, going for walks
- What can we do to keep our brain/mind healthy and well?
e.g. read often, learn new skills, take time to relax, do activities that you enjoy.
- What things/people/places keep us happy (fulfil your heart)?
e.g. feeling loved and cared for and have trust worthy friends
