Maths

This week, we are going to be learning Maths with a teacher called Zara from another school. Today's lesson is about finding 'one more than a number'. Remember to also click on 'Next Activity'! Don't worry if you do not have a printer, you could fold a piece of paper to make a 'Tens Frame'.

Personal, Social and Emotional Development

You might experience lots of different emotions whilst you're at home. I know I am starting to really miss seeing all of you and sometimes feel a little 'bored' at home. Maybe you do too? Here is something that might help you.
