Home Learning

Hello Pumpkins and Acorns ☺

You're doing great!

English

Today you will write the end of your story.

Remember, at the end of the story we find out how the characters solve the problem.

Maths

Today we are continuing our addition practise.
Answer the addition word problems on the sheet attached.

Geography

Learn all about Rio de Janeiro using the link below, then write down 3 facts you remember.

Maths task

1. If you have 33 chocolates and your friend has 24 chocolates, how many chocolates are there altogether?

2. If you bake 55 cookies then bake another 37, how many cookies will you have baked?

3. If you have 49 marbles and then win another 36, how many marbles do you have now?

4. You count 26 rabbits in a field but then 12 more rabbits hop into the field. How many rabbits are now in the field?

5. You have 63 buttons in a pot. You find another pot which contains 51 buttons. How many buttons do you have now?
