

Home Learning

Hello Pumpkins and Acorns 😊

We hope you enjoy your learning this week

English

Today we are continuing to write our *Animal Fact Files*. Today we would like you to write your introduction. Remember, your introduction has to tell the reader what the fact file is about and give them a bit of information about what they will learn from the fact file.

Maths

This week we are practising our multiplication and division skills. Remember to keep practising your 2, 5 and 10 times tables.

Today we are continuing to focus on multiplication. Follow the link below to watch a video on multiplying using arrays.

<https://www.bbc.co.uk/bitesize/topics/zqbg87h/articles/z3tvcj6>

Then answer the multiplication questions below, using an array to help you. The first one has been done for you.

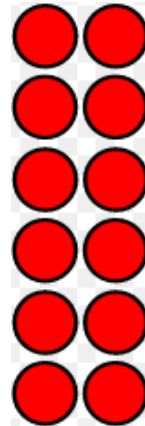

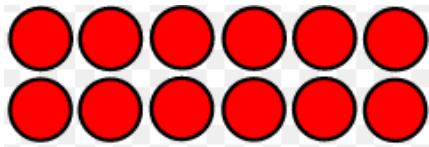

Art

Keep working on those family portraits. You could even make your own decorative frames to put around them 😊

Maths task

Example: $2 \times 6 = 12$

$7 \times 5 =$

$10 \times 6 =$

$8 \times 2 =$

$5 \times 5 =$

$1 \times 10 =$

$2 \times 11 =$

$5 \times 12 =$

$10 \times 5 =$
