

Friday 12<sup>th</sup> June 2020

Dear Parents/Carers,

I hope you are all well and adapting to the relaxing of the lock down rules. Hopefully some of you may have been able to visit family and friends, even if it is still from a distance.

This week on the news there has been continued talk about when all groups of children will be back in school. We now have clear guidance that schools will not be asked to take back all year groups before the end of term. This means that for Y2, Y3, Y4 and Y5 we are looking for a possible September start.

I know this may be very upsetting for some of our children and create enormous problems for you as parents. Many of you will be going back to work from Monday and may need child care. Unfortunately while the social distancing rules are in place we are unable to open for any more children and for this I am very sorry.

We are continuing with our Home School work on the web site which I hope you are able to make best use of. Next week's project is called "Sun Shine on a Rainy Day". The projects can take a scientific focus, story focus or even an art focus. I hope you enjoy exploring your creative talents.

Thank you to everyone who has activated their Parent Pay accounts. School lunches can now be ordered through your accounts.

Well done to all the children who are following the social distancing guidelines around the school and especially first thing in the mornings. Don't forget grownups to ensure you are 2m away from each other and other children when dropping off in the morning and picking up in the afternoons.

School children don't forget our school week will be increasing from Monday 15<sup>th</sup> June to the following times:

Nursery – 9.00am – 2.30pm

YR – 8.45am – 2.45pm

Y1 – 9.00am – 3.00pm

Y6 – 9.15am – 3.15pm

Enjoy the weekend

Yours sincerely,

Lorraine Quirk
