

Home Learning Friday 26th June 2020

Hello Poppies, here is your home learning for today:

Phonics

In the last few weeks of the term, we are going to recap and review some of the Set two sounds you have learnt already. These are also online daily with Rosie at <https://www.ruthmiskin.com/en/find-out-more/parents/> (scroll down to Set 2).

If this is too tricky use Set 1. Or if you would like more of a challenge use Set 3.

Today we will be reviewing the sound "ow - blow the snow"

<https://www.youtube.com/watch?v=9ty1hgMJJLQ>

English

Continue to check on the weather and write sentences to match.

e.g. It is rainy. It feels damp. I feel cool. You could challenge yourself to use and to join your sentences. E.g It is rainy and damp.

Maths

Exploring the Days of the week

<https://classroom.thenational.academy/lessons/exploring-and-discussing-the-days-of-the-week>

Expressive Arts and Design

Sea Creatures junk modelling -

<https://classroom.thenational.academy/lessons/junk-modelling-sea-creatures/activities/1>

If you haven't got junk modelling to do this activity, you could create an under the sea picture instead.
